shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

Weighing just 329g and only 8.5mm slim, Blackview LINK 2 is as light as your day needs. With its handy 8.68-inch screen, it slips into any bag and fits right into your daily life — perfect for reading, video calls, browsing, and family fun.

Cinema Feel. Wherever You Chill

1080P Widevine L1 Support

With Widevine L1, Blackview LINK 2 lets you watch Netflix, Prime Video, and more in full HD. Whether it's family movie night or me-time before bed, every scene is clear and immersive.

Hear Every Word. Every Beat.

Dual Box Speakers Powered by Smart-PA

With LINK 2's dual box speakers and Smart-PA audio, enjoy clear, powerful sound that brings your music, videos, and calls to life—wherever you are.

No Setup Needed. All Set

Built-in WPS Office

Just grab your LINK 2 and start working on documents, presentations, and sheets anytime, anywhere. Whether you're taking class notes, reviewing reports, or prepping slides at home, WPS Office has you covered.

Comfort on Eyes. Day to Night

3 Eye Protection Modes

Blackview LINK 2 cares for your eyes all day long with Reading, Night Light, and Dark Modes that reduce strain and minimize fatigue from extended screen time, so you can stay comfortable and focused longer.

Bigger Battery. Longer Day. No Stress

Long-lasting 5000mAh Battery

LINK 2 is equipped with a powerful 5000mAh battery that lasts through back-to-back video calls, homework sessions and web browsing. No stress, just all-day power you can count on.

Speak to Unlock. Secure to Use

AI Voice Activation

With AI-powered voice recognition, LINK 2 ensures only you can access your device, offering secure login and tailored features with just your voice.

Your Day. Smarter and Simpler

AI Global Smart Control

LINK 2's AI Global Smart Control lets students, seniors, and families handle Gmail, Google Maps, and more — just by speaking or typing. Whether it's schoolwork, trips, or family chats, AI helps make everything faster and simpler.

Full-Screen. Full Smart Support.

AI Full-Screen Smart Assistance

It reads your screen in real time to provide instant, personalized help—no need to switch apps. Perfect for students, families, and everyday tasks. Easy voice and touch controls make smart assistance accessible to all.

Your Voice. Instant Response.

Personalized

AI Voice-enabled
Intelligent Q & A

LINK 2's voice Q&A helps you find answers quickly and clearly, with a conversational tone. Select the voice you like and enjoy smooth, easy interaction every time.

**Talk Once. Real-Time Answers.
Always On.**

AI Real-time Conversation

LINK 2 keeps your conversations going — across apps and sessions — with smart memory that truly understands you.

Fast Access. Full Control

Enhanced Bottom Taskbar

With LINK 2's enhanced bottom taskbar, switch apps and launch split-screen instantly. Stay sharp at work and enjoy uninterrupted fun.

Hear It. See It. Understand It.

Live Caption

With Live Caption on LINK 2, hear every word clearly with instant subtitles. Break language barriers and stay focused wherever you go.
