Magic Mirroring

What you see is what you share. Seamlessly sync tablet content to projection. Stream, present, or show off, effortlessly.

180° Free-Floating Aluminum Stand

From laying flat to fully vertical, the included aerospace-grade aluminum stand flexes 180° to match your angle, surface, or setup.

Integrated Heat Dissipation Fan

Designed for extreme environments, the built-in high-efficiency cooling fan ensures optimal thermal control during projection use, preventing overheating while maintaining performance stability.

Always in Focus. Always Aligned.

Built-in Intelligence for Crystal Clarity.

No knobs, no guesswork. Just effortless clarity. With a built-in distance sensor, auto focus, smart screen orientation, and keystone correction, the Active 12 Pro transforms any surface into a crystal-clear canvas. Whether you're projecting on a wall, ceiling, or tent, it's always sharp, always ready.

Wherever You Go. Light Follows. Bright. Safe. Effortless.

With 303 individual LED lights on both the left and right sides, you get not just brightness, but uniform, wide-angle lighting that outshines typical single-lamp designs. Perfect for lighting up tents, campsites, or work zones.

Titan Battery. Built Like A Battery Tank

Built with four ultra-dense cells working in harmony, Active 12 Pro is your all-day energy companion. From dawn patrols in rugged terrains to late-night strategy sessions, it powers your rugged tablet without missing a beat.
