

DISPLAY LCD 65/65UH5Q-E LG

Model: 65UH5Q-E

Manufacturer: LG

EAN: 8806096540718

Product Code: 310866

R21,425

UHD Signage Display with LG webOS Platform and Advanced Security

Superb Picture Quality with Ultra HD Resolution

With the resolution of LG UHD Signage, it makes the color and details of the contents vivid and realistic. In addition, the wide viewing angle provides clear contents.

Even & Slim Bezel Design

The UH5Q series features perfectly balanced horizontal and vertical slim bezels, creating a visually harmonious display solution. Its specialized design simplifies installation in retail environments while delivering a truly immersive viewing experience.

Convenient webOS Platform

The UH5Q is equipped with a high-performance SoC that allows for multiple tasks to be performed without a separate media player. The webOS platform provides app development tools with an intuitive UI that enhances user convenience, and includes webOS partner apps to create an SI-

friendly environment.

Design for Space Utilization

Designed with thin bezels and simple cable management, the UH5Q saves space. With specialized hidden power inlets, it can be installed close to the wall, leaving only about 13.5 mm of space with the slim bracket.

Durability that Provides Reliability for LG UHD Signage Optimized for business environments

Optimized for business environments, the UH5Q is protected against salt, dust, iron powder and humidity thanks to conformal partial coating on power board, allowing for stable operation. Also, its customer-centric features, such as IP5x and Shock Monitoring*, provide both reliability and satisfaction, ensuring the durability of LG UHD signage.

Comprehensive Security

webOS Signage goes beyond security measures at the operating system (OS) level. LG Shield employs a five-tiered defense system, encompassing server, application, operating system, system, and hardware. Each layer operates independently, providing comprehensive protection against various threats. Also, the webOS platform supports ETSI EN 303 645.

SuperSign Solutions

LG SuperSign is an integrated and intuitive content management solution for creative and organized digital signage content in your space, connecting customers to a range of services with convenient user experiences. There are a variety of versions such as SuperSign Cloud, so discover and enjoy the version that best fits you.

- Resolution : 3,840 × 2,160 (UHD)
- Brightness : 500 nits (Typ.)
- Bezel Width : 11.4 mm (Even Bezel)
- webOS Smart Platform
- LG Shield

Summary: LG 65UH5Q-E. Display diagonal: 165.1 cm (65"), Display resolution: 3840 x 2160 pixels, Display brightness: 500 cd/m², HD type: 4K Ultra HD. Wi-Fi. Operating hours (hours/days): 24/7. Operating system installed: WebOS. Product colour: Black | Vendor Homepage: <https://www.lg->
