

HDD WESTERN DIGITAL Red Pro 24 TB Serial ATA 7200 RPM 3.5 WD241KFGX

Model: WD241KFGX

Manufacturer: WESTERN DIGITAL

Product Code: 311172

R23,920 ~~R25,582~~

Enterprise-class hard drives engineered to deliver high performance and reliability to commercial and enterprise NAS environments.

WD Red Pro drives are engineered to handle high-intensity workloads in 24x7 multi-user commercial and enterprise NAS environments. WD Red Pro drives deliver the performance, scalability and dependability businesses require to store, share and collaborate on large amounts of data in multi-bay RAID-optimized NAS systems.

Optimized for NAS with NASware™

Western Digital's exclusive NASware™ technology fine tunes drive parameters to match NAS system workloads, which helps increase performance and reliability.

Designed for Continuous Operation

WD Red Pro hard drives are designed to handle the rigorous demands of high-intensity 24x7 multi-user NAS environments and increase system durability.

Tested for Dependable Compatibility

Western Digital partners with a wide range of NAS system vendors for extensive testing to ensure compatibility with most NAS enclosures.

Protected against Excessive Vibration

WD Red Pro drives include Rotation Vibration (RV) sensors that anticipate and proactively counteract disturbances caused by increased vibration. By dispersing excess vibration across the drive chassis, turbulence is minimized, performance is maintained and drives are protected.

Built to Absorb Shock

WD Red Pro hard drives include a multi-axis shock sensor to detect subtle shock events and automatically compensate with dynamic fly height technology to further protect the drives in NAS enclosures.

Engineered with Industry-Leading Technology

WD Red Pro 22TB, 24TB and 26TB hard drives feature Western Digital's proprietary OptiNAND™ technology which leverages integrated iNAND embedded flash to perform key housekeeping functions, freeing up more capacity and improving the overall drive performance.

- Ideal for creative pros, medium to large businesses, and commercial/enterprise NAS systems
- For RAID-optimized NAS systems with an unlimited number of bays
- Rated for 550TB/year workloads and up to 2.5M hours MTBF

Summary: Western Digital Red Pro WD241KFGX. HDD capacity: 24 TB, HDD speed: 7200 RPM, HDD size: 3.5", Interface: Serial ATA, Hybrid-HDD cache memory: 512 GB | Vendor Homepage: <https://www.westerndigital.com/products/internal-drives/wd-red-pro-sata-hdd?sku=WD241KFGX> | Component for: PC | HDD average transfer rate: 287 | HDD capacity: 24000 | HDD size: 3.5 | HDD speed: 7200 | Hybrid-HDD cache memory: 512 | Interface: Serial ATA | Type: HDD | Workload rate limit: 550 | Operating temperature (T-T): 0 - 65 | Storage temperature (T-T): -40 - 70 | Depth: 147 | Height: 26 | Width: 101 | Quantity per pack: 1 | Compliance certificates: BSMI/CB/CE/Federal Communications Commission (FCC)/KC/RCM/TÜV mark/UKCA/UL/VCCI | Warranty period: 5 | HDD
