sleek Space Grey colour.

Don't just back up — stand out.

Encrypted Drives for Extra Protection

The LaCie Mobile SSD Secure comes with government-grade AES-256 self-encryption featuring password activated hardware encryption, thanks to LaCie Secure™ Technology — ensuring your ideas and hard work stay safe from unauthorised access and intellectual property theft.

A Sure-Fire Solution That Won't Slow You Down

Collaborate seamlessly, browse photos smoothly, and edit video faster in apps like iMovie® QuickTime® Final Cut Pro® Aperture®

Speeds of up to 1050MB/s

Read speeds of up to 1,050 MB/s and write speeds up to 1,000 MB/s let you edit from the drive with zero lag and transfer an hour of video or thousands of high-res images in less than a minute.

Must-Have Capacity

In this new era of external SSDs, you're no longer forced to sacrifice precious space. Power forward with up to 2 TB of capacity so you can have (and save) it all.

Portable Style to Be Proud Of

For over 30 years we've believed and proven that backup can be more than a tool – it can be an exquisite solution.

We're celebrating this expertise and commitment with a minimalist, contemporary design.

Conveniently Sync Folders with Your Mac

LaCie Toolkit backup software makes folder mirroring effortless. Just choose the route that best suits your schedule.

Back up on demand with one click

Schedule daily, weekly, or monthly backups

Sync files and projects across multiple devices

Works with iPad

Connecting your LaCie Mobile Secure SSD to your iPad's USB-C port brings extra storage to your iPad — and it lets you access all your files directly from your iPad — it's that easy.

We've Got Your Back

When the unexpected happens — like water damage or natural disaster — Rescue Services help you defend against data loss and retrieval costs so you can rest easier.

Summary: LaCie Mobile SSD Secure. SSD capacity: 1 TB. USB connector: USB Type-C, USB version: 3.2 Gen 2 (3.1 Gen 2). Read speed: 1050 MB/s, Write speed: 450 MB/s. Password protection.
