

MEMORY DIMM PRO 32GB DDR5- 6000/CP32G60C40U5BT CRUCIAL

Model: CP32G60C40U5BT

Manufacturer: CRUCIAL

Product Code: 311807

R9,891

Crucial Pro 32GB DDR5-5600 UDIMM (CP32G60C40U5BT)

Crucial® DDR5 Pro Memory has the blazing speed and massive bandwidth needed to support next-gen multi-core CPUs without the fuss of overclocking, latency tuning, die chasing, and LEDs.

Low-profile heat spreader

Dissipate module heat and enhance your gaming rig with a sleek, modern look.

With our integrated low-profile heat spreader, Crucial DDR5 Pro can even fit in smaller PCs.

Supports Intel® XMP 3.0 and AMD EXPO™ on the same module

Achieve easy performance recovery on CPUs that suppress rated memory speeds with Intel® XMP 3.0 or AMD EXPO turned on in the UEFI/BIOS settings. Get the full value of your investment without

overpaying for performance.

No-fuss memory for gaming rigs

1.88x faster than DDR4 to boost in-game frame rates and eliminate screen tears. Enhance your gaming rigs with our sleek design without the fuss of chasing B/E-die, LEDs or the risks associated with overclocking speeds and tuning latency.

Improved productivity for creatives and professionals

With 2x the bandwidth of the previous generation, Crucial DDR5 Pro enables next-level multitasking and faster processing so you can tackle even heavy workloads in less time.

Micron quality and reliability

As one of only three global memory manufacturers, and with 45 years of memory expertise, Micron delivers cutting-edge engineering and superior component and module-level testing for all Crucial DRAM products.
