With snap-on cap and colored keyring hole

Kingston's DataTraveler® Exodia™ is a USB 3.2 Gen 1 flash drive with a USB-A connection for convenient storage of documents, music, videos and more on laptops, desktop PCs, monitors and other digital devices. Its modern colors and practical design make it ideal for everyday use at work, home, school, or wherever you need to take your data. The DT Exodia is available in capacities up to 512GB* and is backed by a five-year warranty, free technical support and legendary Kingston® reliability.

Show off your style

Carefully curated to match your vibe, the DT Exodia is accented in 4 colors by capacity; timeless black, sea blue, lime green and very violet. Grab the color you want or collect them all! With

capacity options up to 512GB*, you'll always have the space you need for your digital library.

Stays safe, travels great

Throw it in your pocket or clip it to your keyring without fear. The practical snap-on cap keeps your USB-A connector protected while you're on-the-go.

Works with what you've got

The DataTraveler Exodia performs within the widely compatible USB 3.2 Gen 1 standard and even supports your legacy USB 2.0 devices.

- Color options by capacity
- Practical cap protects the connector
- USB 3.2 Gen 1 compatibility

*Some of the listed capacity on a Flash storage device is used for formatting and other functions and thus is not available for data storage. As such, the actual available capacity for data storage is less than what is listed on the products. For more information, go to Kingston's Flash Memory Guide.
