All Brother cartridges – including this LC225XLM high yield ink cartridge in magenta – are rigorously tested to ensure they provide customers with the most consistently reliable solution possible.

Though cheap, non-branded refill cartridges are widely available, they’re simply not as compatible with your Brother printer. This can lead to issues with both printout quality and your machine’s performance – and these problems can sometimes prove costly to put right.

This genuine LC225XLM replacement ink cartridge ensures your printer continues to run glitch-free, providing you with better value in the long-term plus the peace of mind that comes from knowing you have a printing setup you can depend on.

Designed to last much longer than a standard cartridge, this high yield ink goes further without any
