

Navitel USP45 Slim

Model: USP45 SLIM

Manufacturer: NAVITEL

EAN: 8594181744577

Product Code: 401926

R740

NAVITEL USP45 SLIM is a universal car charger with fast charging USB-A connectors and a USB-C connector.

USP45 SLIM allows you to quickly recharge your smartphone, tablet, or others of your devices in both cars and trucks. Thanks to the presence of three connectors at once, you can charge several devices at the same time.

The design of the NAVITEL USP45 SLIM charger will fit into any car, and thanks to its compact size, the device will not take up much space.

Working voltage: 12V/24V

Supported fast charging protocols: FC3.0, FC2.0, Huawei FCP, Samsung AFP, Apple 2.4.

USB-C power: Up to 27 W: 5V - 3.6A; 9V - 3A; 12V - 2.5A

USB-A power: Up to 18 W: 5V - 3A; 9V - 2A; 12V - 1.5A
