R980

The Lookabe iPhone Necklace keeps your hands free - and your mind, too. This stylish accessory allows you to carry your smartphone around your neck or across your chest. It's water-resistant and impervious to dust and dirt. Classy brass elements round off the necklace's minimalist yet powerful design.

Necklace made of polyester fibres

Braided multiple times to be especially tear-resistant

Resilient and dirt-repellent

Robust brass elements

1.5m in length, individually adjustable

Clear, bump-proof TPU case

Slightly raised frame protects screen against scratches

Compatible with wireless charging

All controls easily accessible
