Kivik is a clear lightweight phone case made for iPhone 11 Pro. The Kivik Cover is a durable, slim, and smart phone cover. Krusell’s Kivik model is a protective phone case that also looks really good. It is made to protect your iPhone and also to give you a better grip as many of the smartphones tend to have a slippery backside. Its unique attributes will serve your smartphone with the protection it deserves without sacrificing any functionality. The buttons are covered in a smart and safe way and the phone case has precise cutouts for all functions and it will also protect the screen while facing down. The phone case is compatible with wireless charging so you never have to remove the case from your smartphone. Manufacturer: Krusell | Compatibility: Apple iPhone 11 Pro | Screen size: 5.8'' | Color: Transparent
