The Sunne iPhone 11 Pro Max Phone Wallet Case is made in genuine leather and serves with both protection for your smartphone and a stylish look. The phone wallet has smart features such as room for both credit cards, ID, a billpocket, and a stand function. There is also a cutout for the speaker and microphone so you can talk while having the lid closed. The phone wallet case also gives you better grip which is important as the backside of the iPhone tends to be really slippery, the phone wallet is also compatible with wireless charging so you practically never have to detach and attach the case. Your iPhone will be securely fixed in a protective cover inside the wallet. Manufacturer: Krusell | Compatibility: Apple iPhone 11 Pro Max | Screen size: 6.5 | Color: Black
