Comfort Pro Vibration Neck Massager With Heat

The HoMedics Comfort Pro Vibration Neck Massager with Heat delivers an invigorating vibration massage when you need it most. Its integrated control allows you to choose from 2-speeds and add heat to further sooth tense muscles. This neck and shoulder massager®s portable Ergo Comfort Design flexes and shapes to your body, providing the perfect fit for the perfect massage.

MULTIPLE SPEED CONTROL

Choose from 2-speeds and add heat to further sooth tense muscles.
