VISIBLE RESULTS IN JUST 3 WEEKS.

Bringing treatments out of the salon and into your home is what we do best, and there's no time like the present to revolutionise your skincare routine. The HoMedics Radiance Microdermabrasion is our handheld home microdermabrasion device. With a salon grade diamond tip and a beautiful rose gold finish, professional home microdermabrasion is designed to diminish wrinkles, reduce enlarged and oily pores, and revitalise your skin.

- Improves overall skin texture
- Diminishes fine lines and wrinkles
- Decreases the appearance of superficial pigmentation
- Treats oily and enlarged pores
- Decreases blackheads
- Improves acne scarring

HOW DOES HOMEDICS RADIANCE MICRODERMABRASION WORK?

Microdermabrasion is a non surgical procedure which rejuvenates your skin by powerful mechanical exfoliation. It works by removing the uppermost layer of dead skin cells exposing the supple, glowing layer of skin underneath it.

Diamond tip

Normal and sensitive skin tips for effective exfoliation.

Gentle vacuum massage

Removes dead cells and stimulates the new skin layer.

Visible results

Skin looks healthier and feels smoother and firmer.

Features

Type: Skin vacuum microdermabrasion
