The Sunne Card phone cases is a slim phone case with room for 1 credit card on the backside of the case. The case is made of full grain leather, it serves with a stylish look and good protection for your smartphone. The phone case wraps around the corners of the phone and protects the screen when facing down. The leather is not only stylish looking, it also serves your iPhone with better grip as the backside of the phone often tends to be very slippery. Sunne Collection is a master of discreet and true luxury. The soft inner lining enhance the feeling of luxury. By unifying sharp tailoring and genuine vintage leather you get a sleek and elegant cover wrapping your iPhone in a sophisticated style. The genuine leather of Sunne ages with beauty and by following your adventures it matures and gets even more stylish over time. Manufacturer: Krusell | Compatibility: Apple iPhone 12 Pro Max | Screen size: 6.7 | Color: Brown
