R533

Specially designed: exclusive iPhone XS Max [6.5 inch] Privacy Tempered Glass with 9H screen hardness. High-tech privacy screen protector hides your personal, private and confidential information from strangers. The screen is only visible to the people directly in front of the screen. No dust, no fingerprints, very easy installation, no bubbles. Note: A tempered glass screen protector only provides protection against scratches and reduces the risk of damage to your screen from impact forces and drops. This screen protector may break if dropped from a high place or subjected to extreme pressure. High quality thin 0.3mm 2.5D round edge ballistic tempered glass screen protector, 9H hardness, scratch resistant, protect your screen from scratches and drops, super durable. Technical data Type: Screen protector Compatibility: Apple iPhone XS Max Manufacturer: Devia | Compatibility: Apple iPhone XS Max | Screen size: 6.5
