This Antibacterial Spray and Clean Mop from Beldray is perfect for cleaning a range of surfaces, from hard floors to windows and bathrooms.

Make the chemical-free sanitiser using just water and salt, plug the cartridge in and use the power button to add the electric charge.

Environmentally conscious, the spray mop has a 400 ml refillable cartridge and the electrolysis process helps reduce chemical waste.

Complete with a convenient mini sprayer and a handheld window squeegee, the versatile mop is ideal for work surfaces, mirrors and more.

The floor mop features a powerful spray trigger and boasts a dual-sided and machine washable microfibre head to collect dirt and dust.
