

Tracer 46843 PowerWatch 1.5m black

Model: TRALIS46843

Manufacturer: TRACER

EAN: 5907512866870

Product Code: 403602

R676

Tracer 46843 PowerWatch 1.5m Surge protector black Description Power strips are convenient and efficient devices designed for home and office use. Tracer PowerWatch is equipped with a special mechanical interlock system that protects children against the risk of electric shock if they touch the phase cord. The Tracer PowerWatch power strip can be used as an ordinary extension cord, as well as protection against environmental factors (e.g. lightning) and voltage fluctuations in mains sockets. This protection is perfect both for home and office applications. A high-quality power cord is in conformity with the VDE standard. Features 5 outlets. Mechanical interlock system. Auto off-switch. Built-in surge suppression. Illuminated on/off switch. Maximum power 2300 W. Housing made of non-flammable material. Power cord designed in accordance with the VDE standard. 1.5 m power cord. Technical data Wire length: 1,5 Antiinterference filter: No Phone filter: No Number of sockets: 5 Antiovervoltage system (varistor): 1 Power off switch: yes Number of sockets: 5 | Socket type: C | Switch: Yes | Cable length (m): 1.5 | Color: Black
