Šilelis P-5 is a smart Full HD video projector suitable for homes and offices. A new generation of closed optomechanics protects your projector from dust, so you can enjoy a clear image. Dual Band Wi-Fi (2.4/5G) allows you to mirror your phone or your computer screen without any delay. Thanks to 6D keystone correction and auto focus, the new Šilelis is easy to adjust. Connect your speakers via bluetooth and enjoy a bright, high-definition (1920×1080) up to 4m home cinema screen. Don't worry about replacing the lamp, Šilelis uses a new generation LED lamp with an extremely long operating time.
