Dry, detangle, volumise and style your hair with the Revamp Progloss Volume & Style Hot Brush Styler – an all-in-one must-have designed to streamline your styling. Lightweight with a sleek, functional design (not to mention a cool rotating tip for added comfort), this styler is easy to use and quick to get going. With a built-in quad ionising system, this device doesn’t just dry and detangle. Bringing positive and negative ionic jets together, it promises volume at the roots while conditioning your lengths to keep frizz and flyaways at bay. Infused with Progloss™ super smooth keratin, argan and coconut oils, the ceramic barrel transfers heat evenly and precisely while you style. With two interchangeable oval brush heads (a smaller one which is ideal for short or finer hair; and a larger

version to enhance your big blowout if you have longer or thicker hair), this styler is suitable for all hair types.

Take the stress out of styling and reach for the Revamp Progloss Volume & Style Hot Brush Styler to dry and style your hair quickly and easily.

Farewell, Frizz

With a powerful, built-in ionic jet, this styler smooths your hair as you style. The negative ions bid frizz and flyaways farewell, while their positive counterparts enhance volume at the root for an instant lift that lasts.

Turn Up The Volume

An all-in-one must have, this styler will dry, detangle, volumise and style your hair, meaning you can enjoy an easy, relaxed drying and styling session that leaves you with added lift at the roots. Its lightweight design and easy-to-use features make it an essential addition to your haircare routine, whether your hair is short, fine, long or coarse.

Heads Up

With two interchangeable heads, this styler is suitable for all hair types. The larger brush head was designed to enhance your big blowout by offering enhanced definition to those with longer, thicker hair; while the smaller brush head is ideal for those styling shorter or finer hair.
