

Severin ZB 7266

Model: 7266

Manufacturer: SEVERIN

EAN: 4008146040603

Product Code: 403871

R757

Optimal cleaning of difficult areas

Due to the narrow and long angle shape, corners that are difficult to reach are no longer a problem.

Adjustable joint to reach areas easily

the adjustable angle of the brush head makes it easy to reach dust on a wardrobe.

Dust and lint are no problem

The bristles on the sides safely suck up dust and leave no scratches on surfaces.

Easy handling and attachment

The nozzle can be attached and the angle adjusted quickly and easily.

Technical data

Material: Plastic

Colour: Black / red
