Perfect for taking accurate measurements of babies, pets, luggage, and more, this Add and Weigh scale from Salter keeps things simple. Just weigh yourself on the scale, then clear to zero, before stepping back on while holding what you want to weigh for quick results. This bathroom scale is ideal for keeping track of your baby’s weight or making sure you haven’t overpacked for your holiday. With a digital display for clear, easy-to-read results and a large platform with plenty of space for both you and what you’re weighing. This handy scale comes with a battery included, as well as carpet feet to ensure accurate measurements on uneven floor types.
