

Tellur Smart WiFi Solar Camera P&T 3MP, 2K UltraHD, PIR, 20W solar panel, white

Model: TLL331551

Manufacturer: TELLUR

EAN: 5949120005029

Product Code: 404179

R3,465

Sensor type: 1/2.8" CMOS

Sensor resolution: 3 Megapixels

Lens: f:3.6mm

Viewing angle: 118°

Infrared sensor: Yes, up to 10 meters

Image resolution: UltraHD 2304 x 1296/15fps / SD 640 x 360/30fps

Video compression: H.264 + H.265

Frame rate: 15/second HD / 30/second SD

Motion detection: PIR

Detection distance: 0 ~ 10 meters (max)

Pan and tilt angle: Horizontal 320°, Vertical 90°

Night vision: Color night vision or black and white

Audio communication: Two-way audio

Built-in speaker: 2W

Internal storage: MicroSD FAT32 card up to 128GB Class 10 min (not included)

Cloud storage: Yes

Power supply: Solar Panel + Built-in battery

Solar panel power: 20W

Battery capacity: 19200mAh rechargeable

Power consumption: Max 2.2W

Standby consumption: 0.0016W

Google Home: Compatible

Amazon Alexa: Compatible

WiFi standard: IEEE 802.11b/g/n

Supported WiFi network: 2.4GHz

Waterproof: IP54

Working condition temperature: -10°C ~ +60°C

Working condition humidity: 0% ~ 80% RH

Product dimensions: Camera - 19 x 16 x 10cm, 2 x Solar panel - 26 x 16.8 x 0.7cm

Product weight: 2.06Kg

Package includes:

1 x Tellur Solar Camera Pan & Tilt

2 x Solar panel

1 x Screws kit + hexagonal spanner

1 x Quick installation metal base

1 x Mounting bracket

1 x Power cable 3 meters
