Subsonic presents a charging station for PS5 Dualsense controllers, compatible with PS5 and PS5 Slim. This charger lets you charge 2 PS5 controllers simultaneously by simply plugging the dock into your console, mains charger or other USB port using the included 80cm USB-C cable.

Plug & play function: set down and let your controllers recharge.

With its compact design, the Duo Led Dock takes up very little space in your home. Conveniently, the dock's feet light up orange when it's plugged in, and the light bar on the joystick lets you know when it's charged!
