Severin ZB 3616

Model: 3616

Manufacturer: SEVERIN

EAN: 4008146032394

Product Code: 404403

R851

It’s not only easy to vacuum-seal vegetables, fish and meat; you can also cook without having to remove the contents from the bag. The advantage: food does not get freezer burn and does not lose its taste.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
