suitable for all activities in and on water

- Swipe like on a smartphone: user-friendly, full-colour 1.28" Full Touch LCD display for a quick overview of all functions
- Jogging, swimming or yoga: choose from 14 types of sport and obtain an analysis based on your choice
- Keep an eye on your pulse 24 hours a day: continuous heart rate measurement even during periods of rest and sleep
- Sweet dreams or turning thoughts over in your head: with the sleep analysis function, know exactly how your deep sleep, dream and waking phases are divided up
- Blood oxygen measurement: measures the oxygen in the blood when activated
- With sound, everything runs better: Control music from the smartphone via the fitness watch, e.g. Start/Stop, next track and previous track
- This is an app you can rely on: "Hama FIT move" is quality assurance-tested and every function has been extensively checked in Germany
- Every droplet of sweat counts: the Fitness Watch automatically detects when you have been exercising for a long time and records this directly after confirmation
- No more couch potato: the exercise reminder pushes you to new peak performances after a pre-set time
- A daily goal of 10,000 steps: using the step counter, accurately track how many steps you take in a day
- Sporting daily calorie balance: on the display, see how many calories you have burned in total and in the app when you burned the most calories
- 6-day run time - one battery charge: record up to 6 days of activities with just one battery charge, and be ready for the next challenge after just 1.5 hours of charging
