Spray: Activate the spray by pressing the button on the handle. You may need to press it multiple times.

Steam ironing: Adjust steam using the switch; higher temperature settings increase steam output.

Steam burst: Provides a powerful 80g steam burst for tough fabrics. Use only on high settings (three dots or Max), and limit to three uses in a row.

Vertical steam ironing: Use steam while holding the iron vertically, 15-30 cm from fabric.

Anti-Calc self-cleaning: Prevents calcium buildup, though it doesn't eliminate scale entirely.

Self-Cleaning System: Remove mineral deposits monthly or more frequently with hard water.

Anti-Drip: Prevents water drips at low temperatures and may emit a hissing sound.
