

Beper P101TEM002

Model: P101TEM002

Manufacturer: BEPER

EAN: 8056420224887

Product Code: 404647

R1,719

Keep food warm safely with this buffet warmer, perfect for gatherings, events, and parties. It features two 2.4L trays and two 1.1L trays for separate meals, with transparent lids for display. The base can be used as a hotplate for direct warming. Heat-insulating handles make it easy to carry, and the thermostat lets you adjust temperatures. The trays and lids are dishwasher-safe.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
