Transform your laundry routine with the Beldray 2600W steam iron, designed with a powerful 140 g/min steam shot for precision ironing.

The variable temperature control settings allow you to iron a variety of fabric types, whilst the 2.5m cord offers an extended reach.

Enjoy peace of mind with the self-cleaning function that prevents limescale build-up, prolonging the iron's lifespan and performance

Thanks to the generous 280ml water tank, you can enjoy less frequent refills whilst the easy-grip handle provides easy manoeuvrability.

Crafted with a non-stick ceramic soleplate this iron offers a smooth glide and boasts a contemporary navy and platinum finish.
