The CS3120 cordless chainsaw is a lightweight, user-friendly tool for garden and allotment work. Powered by an 18V battery, it eliminates the need for fuel or cables, making it eco-friendly with reduced noise and zero emissions.

Ideal for cutting wood, branches, and firewood, it features an ergonomic rubberized handle and a light 3.6 kg design for comfortable use. A no-tool quick chain tensioning system and automatic chain lubrication enhance convenience and longevity.

Safety is ensured with an automatic chain brake and accidental start lock. It has a 25 cm guide length and is compatible with Blaupunkt One DNA 18V batteries (sold separately).
