

Severin ZB 8126

Model: 8126

Manufacturer: SEVERIN

EAN: 4008146037535

Product Code: 404794

R925

Every grillmaster needs a good core thermometer.

Up to two core thermometers can therefore be connected to the SEVO.

Checking whether food has reached the desired temperature can thus be done without having to cut the meat, for example.

The thermometer measures quickly and with extreme precision.

Technical specifications

Colour: black

Indoor use: yes

Outdoor use: yes

Dimensions (HxWxD) (cm): 1 x 15.5 x 1

Weight (g): 24
