Manufacturer: SUBSONIC

EAN: 3701221704247

Product Code: 404997

R854

Transport your nintendo switch in complete safety

Take your Nintendo Switch 2, Switch OLED, Switch or Switch Lite everywhere with you in complete safety, thanks to this practical and stylish shoulder bag. Designed for optimum protection, it features a dedicated compartment that holds your console firmly in place, protecting it from bumps and scratches on the move. Its robust design and quality materials guarantee excellent durability, while remaining lightweight and comfortable to wear.

A practical, stylish bag for all your accessories

Adopt a modern look with this uniquely styled shoulder bag! Its compact, ergonomic format means it can be worn over the shoulder for quick access to your console. In addition to the main compartment, a large pocket holds your essential accessories: charger, cables, headphones or game cartridges. Whether you're traveling, going out or simply carrying your Switch on a daily basis, this bag is the ideal ally for gamers.

Intended use: Transport and protect Nintendo Switch, Switch OLED, Switch Lite, and accessories |

Strap: Yes | Color: Red / Black
