Model: 00181420

Manufacturer: HAMA

EAN: 4047443375537

Product Code: 405035

R760

To ensure that the record player does not leave behind any unpleasant marks on the LP, it should always be looked after well.

The stylus especially should be kept free from dust and lint so that no scratches can occur in the record and so the full sound can reach the listener's ears.

Features

For effective and gentle cleaning of the styli of record players

Incl. 20 ml cleaning fluid
