

Beper P101PIA100

Model: P101PIA100

Manufacturer: BEPER

EAN: 8056420226492

Product Code: 405115

R994

Our electric stove combines functionality and reliability thanks to its sturdy steel housing and 18.5 cm cast iron plate for even heat distribution. Equipped with an adjustable thermostat with 5 cooking levels, it allows you to prepare any dish with maximum precision. The ready indicator shows when the temperature is reached, while the overheat protection ensures maximum safety during use. This compact stove is ideal for RVs, second homes, camping, vacations, or picnics, and is the perfect solution for cooking anywhere, comfortably and without sacrificing performance. Surface type: Cast iron plate | Number of hot plates / burners: 1 | Plate diameter (mm): 185 | Power (W): 1500 | Control type: Thermostat | Color: Black / Stainless Steel | Dimensions (cm): 27 × 30 × 7.5 | Special notes: Steel and plastic body; ready indicator light; overheat protection; ideal for RVs, second homes, camping, vacations, or picnics
