Retro-inspired digital keychain camera with iconic vintage designs — sold in blind boxes for a fun collectible experience.

Tiny and lightweight, ideal for everyday snapshots, street photos, selfies and pocket-sized memories.

Built-in 1/4" CMOS sensor with 1440×1080 (≈1.6 MP) image capture and 30 fps video recording.

35 mm F2.4 lens offers simple point-and-shoot ease with vintage flair.

Comes with built-in Kodak photo frames and 7 special filters to add retro effects without editing.

USB-C connectivity for charging and quick media transfer.

Supports expandable storage via Micro SD cards (1 GB-128 GB) — card not included.

Each blind box includes the camera, keyring, and USB-C cable; designs are random, including a rare secret edition.
