

Silelis PB-1

Model: PB-1

Manufacturer: ŠILELIS

EAN: 703674402445

Product Code: 405173

R3,255

The Šilelis PB-1 is a compact Full HD video projector that is perfect for home entertainment. Digital focus and automatic vertical keystone correction make it easy to prepare the projector for use in any environment.

The kit includes a special stand that allows you to easily adjust the angle without additional equipment.

Connect headphones or external speakers via the built-in 3.5mm audio jack and enjoy clear sound. A vivid Full HD (1920×1080) image up to 4 meters in diameter will allow you to enjoy movies, sports or games.

The LED lamp in use lasts up to 50,000 hours, so the projector will not require frequent maintenance. Lamp type: LED | Brightness (lm): 2500 | Brightness (ANSI): 250 | Lamp service life (Hours): 50000 | Operating volume (dB): 35 | Maximum picture size (m): 4 | Picture format: 16:9 / 4:3 | Projection distance (m): 1.1 – 5 | Resolution: 1920×1080 (Full HD) | HDMI: 1 | Audio 3.5 mm: 1 | USB: 1 | Built-in sound: 5W stereo | Remote control: Yes | Color: Black / yellow | Dimensions (cm): 20.7 × 17.1 × 8.05 | Weight (kg): 1.25
