Unleash immersive sound with the White Shark Ghatam Bluetooth Speaker — where power meets style. Delivering 10W RMS output through a precision 66 mm driver, it offers deep bass, clear mids, and crisp highs across the full 20 Hz – 20 kHz spectrum. With Bluetooth 5.1 and a stable 10 m range, enjoy seamless wireless streaming at home or on the go. The built-in 1500 mAh Li-Ion battery provides up to 3 hours of playtime, recharging quickly in 2–3 hours. Beyond sound, the RGB Abyssal LED illumination adds an atmospheric glow, enhancing every beat. Crafted from durable ABS, fabric, and polycarbonate, Ghatam combines strength with modern aesthetics in sleek black or white finishes. Compact and lightweight, it’s perfect for any space — from your desk to outdoor gatherings. Pure energy. Pure sound.
