

Beper P204FER005

Model: P204FER005

Manufacturer: BEPER

EAN: 8056420226546

Product Code: 405210

R981

Powerful, fast and precise: BEPER SteamPro 300 is the iron designed to make ironing easier and faster, even on the most difficult fabrics.

Its large-surface steel soleplate ensures even heat distribution and glides easily over all types of fabric.

With its 25-27 g/min continuous steam and 0.7 g steam blast, it removes deep creases and stubborn marks in just a few passes.

The temperature is precisely adjustable according to the type of garment, for optimal results every time.

The 300 ml reservoir guarantees long autonomy, while both dry and steam operation makes it extremely versatile.

A practical anti-drip, self-cleaning and anti-limescale system complete the functions, for long-lasting performance and minimal maintenance.

Manufacturer: Beper | Power: 2200 W | Sole plate: steel | Variable steam: 25-27 g/min | Intensive (optional) steam supply: 0.7 g | Vertical steam: Yes | Water spray: Yes | Water tank capacity: 300 ml | Anti-drip: Yes | Anti-calc system: Yes | Color: White / turquoise
