The LCD-352/2-3 desk mount transforms any workspace into a modern, clean, and ergonomic setup. It supports two monitors from 17" to 32" (VESA 75×75 / 100×100) with a load capacity of up to 10 kg per screen. With its wide adjustment range – tilt +45°/-45°, swivel +90°/-90°, and rotation +180°/-180° – you can position each monitor to your perfect viewing angle. The 376 mm arm reach and 408 mm pole height provide excellent flexibility, while integrated cable management keeps the desk tidy and professional. Installation is easy using either a clamp (10–85 mm) or grommet mount (10–45 mm). The detachable VESA plate allows quick and convenient monitor setup. Made from durable steel and plastic in a sleek black finish, this mount is ideal for multitasking, productivity, gaming, and creative work – a perfect upgrade for any modern workspace.
