R943

Enhance your workspace with the LCD-351/1-3 articulating monitor arm — the perfect blend of ergonomic flexibility and sleek design.

Whether you're working from home, in a corporate office, or in a creative studio, this monitor arm lets you easily adjust height, tilt, swivel, and viewing angle for maximum comfort throughout your day.

Its full-motion design allows effortless positioning, while dual mounting options (desk clamp or grommet mount) keep your setup stable and clutter-free.

With integrated cable management and a refined silhouette, LCD-351/1-3 brings both practical functionality and contemporary style to any workspace.
