Enhance your living room, office, or meeting space with the SBOX CPLB-M0748 motorised ceiling mount — a modern, elegant solution designed for clean aesthetics and effortless comfort.

Built from steel, plastic, and aluminum with a matte-black powder-coated finish, it blends seamlessly into any interior while supporting large 43"-86" screens up to 45 kg.

Enjoy smooth tilt adjustment from 0° to -80° and precise leveling for the perfect viewing angle, whether you're relaxing at home or presenting in a professional environment.

Its compact 130 mm profile and integrated cable-management system maintain a neat, minimalist look.

Powered by an AC motor (DC 29V output) and controlled via RF remote, the mount allows you to reposition your TV with a single touch.

A refined balance of stability, convenience, and modern design — ideal for creating a polished, clutter-free space.
