R691

LAFE WLS 001.2 bathroom scale is a universal electronic scale for everyone.

Its precise sensors allow you to control your body weight every day.

The glass platform is decorated with pleasant graphics, easily matched to any decor.

Durable and stable glass platform with dimensions of 30x30 cm and a thickness of 6 mm is equipped with four precision sensors with measurement range from 0 to 150 kg.

The accuracy of the measurement is 100g, which allows you to precisely control the weight of your body.

Measurement value is indicated on a digital LCD display.

The scale is equipped with an automatic reset system and it turns on and off by itself.

Measurements can be displayed in three different units: kg, lb, st.
