R840

Fun - for everyone that knows the sound of music is just as important as call quality. At the press of a button you can switch from your favourite song to a business call for your next pitch. The super-agile design in stylish black looks especially great on your head.

- Operate the main functions of your smartphone without picking it up
- Supports the Siri and Google Assistant voice assistants
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- Padded headband for a comfortable listening experience also over long periods of use
- The headphones are equipped with an individually adjustable headband which adapts to the shape of your head
- Tilting ear cups adapt to the shape of your head
