This compact USB-C charger gives you 2 lightning-fast USB-C ports to charge your devices. You can choose to use one port at full power 65W, which is sufficient to charge most laptops with a USB-C power port. Or you can use both ports simultaneously, where the power is distributed, allowing you to charge, for example, a smartphone and tablet or a small laptop at the same time. Safety approved and made with a flame-retardant casing.
