

Beper P207ILO070

Model: P207ILO070

Manufacturer: BEPER

EAN: 8056420225259

Product Code: 405504

R683

Solar-powered wall lamp with double-sided light.

The light on the front switches on automatically with the passage of a person thanks to the motion sensor.

The light on the back automatically switches on in darkness and switches off in daylight.

Lamp can be hung on the wall thanks to the included screws.

Ideal for outdoor use thanks to IP65 water protection.
