

## Tracer 46747 LED Ring Lamp 26cm

Model: TRAOSW46747

Manufacturer: TRACER

EAN: 5907512865873

Product Code: 405532

## R811

### KEY FUNCTIONALITIES:

- The set features a 26cm ring lamp, a tripod and a remote control to adjust light intensity and colour
- The lamp has 120 LEDs
- Our model emits light with a temperature of 2700-7000K. This means that the colours on the model or the photographed object will be perfectly rendered on the image.
- 3 colour temperatures: cold, warm, neutral. Each of the colours has 10 levels of light intensity, which in total gives 30 different variations.
- 10W lamp – emits light with a power of 600-1300 lumens, depending on the selected mode. The lamp in mode 10, regardless of the selected light colour, emits a very high-quality light.
- Mini tripod has non-slip feet, which makes the set more stable
- Mini tripod has a swivel head that allows you to set any angle
- Flexible phone holder
- The lamp is powered by a 175 cm USB cable.
