

Salter 9150 BFEU12 Glass Analyser Bathroom Scales, Black

Model: 9150 BFEU12

Manufacturer: SALTER

EAN: 5054061481099

Product Code: 405607

R1,058

Glass analyser scale: Track your overall health with the Salter glass analyser scale, providing a comprehensive body analysis, including insights into body weight, body fat, body water percentage, Body Mass Index (BMI), and Basal Metabolic Rate (BMR).

Hit your goals: Weigh yourself in the units you prefer, whether it's kilograms (kg), stones (st), or pounds (lb), ensuring convenience and consistency with your personal goals or fitness apps.

Large digital display: The generously sized digital LCD screen displays your results clearly, making it easy to read your measurements at a glance without the need to bend or squint.

Ideal for active users: Designed with fitness enthusiasts in mind, the Athlete Mode provides tailored readings that account for higher muscle density, ensuring more accurate results for regular gym-goers or those with an active lifestyle.

Effortless operation: Simply step onto the scale to activate it and receive instant readings. The durable glass design ensures hassle-free and hygienic measurements every time you use it!
