Features Featuring a large, easy to read dial, this useful Mechanical Scale from Salter features imperial and metric measures of up to 133 KG. Despite the petite and compact size, the dial has a handy magnifying lens, providing easy to read measurements from a distance. Boasting a stylish, monochrome design, the scales have a non-slip platform for extra safety when using after a shower or in the bathroom. Little maintenance is required with these bathroom scales, simply step on to see your weight measurements, no batteries are needed. Always make sure the stylish scales are placed on a firm flat surface, set to zero and use at the same time of day for accurate results.
