Dreame Matrix10 Ultra

Robot Vacuum and Mop with Multi-Mop Switching Tech

Matrix10 Ultra transforms home cleaning with unmatched futuristic features. Multi-Mop Switching Tech auto-switches mop pads for different areas, eliminating bacteria risks. FlexiAdapt™ system navigates obstacles and steps safely, while 30,000Pa* suction and HyperStream™ Detangling DuoBrush tackle dirt, debris, and hair tangles.

Smart Mops for Targeted Sterile Cleaning

Matrix10 Ultra transforms cleaning by auto switching mops when addressing diverse contaminants on various surfaces—whether grease, dust, or bathroom moisture.

With mega 30,000Pa* suction, Matrix10 Ultra delivers power that efficiently eliminates dirt, dust, and debris. The HyperStream™ Detangling DuoBrush thoroughly picks up hair, achieving impressive 100%* detangling efficiency.

All-in-One Maintenance Made Easy

Matrix10 Ultra performs independent self-care with 100℃* high-temperature mop washing and washboard self-cleaning. This relieves you of maintenance hassles, while keeping mops fresh, removing greasy stains, and preventing odors.

No Obstacles Stand in its Way

Matrix10 Ultra detects step heights and engages optimal strategies for safe and smooth cleaning. Features precise control with seamless navigation up to 8cm* thresholds and uninterrupted transitions across various surfaces.
