GRASS MOWER ROBOT MOVA LIDAX/ULTRA 1000 MXXM3100 DREAME

Model: MXXM3100

Manufacturer: MOVA

EAN: 6977973410652

Product Code: 405788

R25,576

iDAX Ultra 1000&2000

Powered by 3D LiDAR Intelligence. Designed for Every Lawn.

With UltraView™ 2.0 sensing—combining 360° 3D LiDAR and AI vision—LiDAX Ultra 1000 and 2000 achieve centimeter-level navigation without boundary wires or RTK setup. UltraTrim™ 1.0 delivers exact edge performance, supported by real-time obstacle intelligence and pet-safe operation. Ultra 1000 is designed for lawns up to 0.25 acre with effortless RTK-free deployment. Ultra 2000 extends coverage to 0.5 acre, offering enhanced sensing precision and smarter navigation for mid-size yards.

Environmental Sensing

UltraView™ 2.0

With AI vision and 360° 3D LiDAR, the mower AI-assisted auto-maps your yard in 3D with centimeter accuracy—no wires or RTK stations needed, even in complex layouts, under dim or harsh light. Power on and mow anywhere with ease.

Switch On. Map Ready. Mow Anywhere

With AI-assisted auto mapping, the LiDAX Ultra Series needs no boundary wires, RTK stations. Power it on, and in just minutes, it maps your lawn with centimeter-level precision—ready for mowing before your coffee is done.

Handle Two Yards with One Mower

Manage up to 2 independent maps—ideal for separate front and back yards or multiple properties. Set tailored mowing plans for each zone, saving time and removing the need for a second mower.

Smart Zone Control, Effortless Mowing

With the MOVAhome App, you can manage multiple zones with custom directions, efficiency levels, and mowing settings for each area. Define no-go zones—such as swimming pools or garden facilities—for intelligent avoidance. Create dedicated channels for moving between zones or charging.

Precise Edge Trimming with
UltraTrim™ 1.0

With UltraTrim™ 1.0,the mower cuts within 2" of walls, hedges and raised edges. A movable disc covers gaps to minimize misses. For flush lawn-pavement edges, it rides on edges for clean, precise cuts.

Conquer Complex Terrain

The rear-wheel drive system and off-road wheels provide strong traction, climbing slopes up to 45% and overcoming obstacles up to 4cm high and pits, with ease. It also handles uneven terrain, challenging weather, and maintains lawn-friendly operation.

Smooth Narrow Pathway Crossing

Pass through spaces as narrow as 23.6"* with precise, consistent mowing. Powered by UltraView™ 2.0 Environmental Sensing Technology, the LiDAX Ultra Series senses its environment for smooth

navigation through tight lawn passages.

Efficient Mowing, Effortless Lawn Care

The LiDAX Ultra Series mows every inch of your lawn using U-shaped path planning, ensuring even, precise cuts. When the battery runs low, the mower automatically returns to the charging station and resumes mowing exactly where it left off.

Tailor Your Turf, Swift and Sharp

Smart Floating Cutting System

The LiDAX Ultra Series features an advanced floating cutting system that adapts seamlessly to every contour of your lawn. Its dynamic blade suspension moves smoothly up and down, giving you an even, precise cut every time.

Adjustable Cutting Height

Adjust the cutting height directly from your MOVAhome App to match your ideal lawn style. With a simple tap, choose the perfect grass length—anywhere from 1.2" to 3.9"*—for a consistently neat and well-groomed finish.

Signal Assurance

Accurate Positioning Anywhere

Powered by advanced 360° 3D LiDAR, AI vision, and intelligent algorithms, UltraView™ 2.0 operates independently of GPS for reliable navigation. Achieve continuous precise positioning and efficient mowing—day or night, in bright, low-light, or weak-signal conditions.

3D Obstacle Avoidance

Powered by 3D point cloud data and advanced AI vision, the LiDAX Ultra Series detects and avoids over 300 types of lawn obstacles—from large outdoor furniture to small yard items. Continuous algorithm upgrades enhance recognition accuracy and safety, ensuring smooth, worry-free mowing for your family and pets.

TrueGuard™ Security: Your 24/7 Garden Sentinel

The LiDAX Ultra Series features TrueGuard™, an intelligent security system that keeps your garden

safe day and night. It continuously monitors the surroundings, detects potential risks, and alerts you when needed—so you can enjoy complete peace of mind outdoors.

Animal-Friendly Mode: Extra Safe for Animals

- Low-Speed Safety Mode
- Custom Animal Activity Zones
- Do-Not-Disturb Mode
- Keep your lawn wildlife safe day and night, powered by intelligent detection and avoidance systems.

Anti-Theft Protection: Smart Security

Keep your mower safe anytime, powered by real-time connectivity and intelligent alerts.

Link Services

Features built-in 4G real-time tracking. Track your mower via Google Maps, receive instant alerts if it leaves mapped areas—even without Wi-Fi.

Lift-Up Alerts

Triggers an alarm and sends instant app notifications if the mower is lifted or tampered with.

AirTag Compatibility

Securely place an AirTag* in the dedicated slot for an extra layer of protection.

Adjustable Mowing Efficiency

The mower offers 2 adjustable levels of mowing efficiency to meet your specific needs

Enjoy clean, emission-free mowing

Powered by a lithium battery, the mower operates quietly and sustainably, unlike traditional gasoline mowers.

With customizable charging periods, the mower maintains safe standby power and fully recharges only at scheduled times, reducing energy use for greener lawn care.

Turn your lawn into a canvas

Choose from heart, square or other creative patterns via the MOVAhome App, and enjoy a visually stunning, artistic lawn.

Protect your lawn and mower automatically

The LiDAX Ultra Series detects rain and snow with a rain sensor, returns to the charging station, and resumes mowing once conditions improve, all without manual intervention.

Enjoy a peace-of-mind quiet operation

Enjoy a peaceful weekend while the LiDAX Ultra Series mows aunder 57 dB*, quietly keeping your lawn tidy without disturbance.

Clean your mower effortlessly

Set custom cleaning points in the App and start with one tap. The LiDAX Ultra Series moves automatically, no manual transport needed, and IPX6 waterproofing allows quick rinsing of the exterior and underside.

Cuts like a pro, blends like a natural.

While it handles the lawn, you get your time back—right where it belongs.

- RTK-Free 3D Mapping: 360° 3D LiDAR and AI vision enable fast, wire-free auto-mapping with no RTK needed, even in complex yards.
- Precision Edge Cutting: UltraTrim disc trims closer to fences, hedges, and raised edges for sharp, well-defined lawn borders.
- AI Obstacle Avoidance: Advanced AI vision avoids 300+ obstacles using real-time 3D sensing for worry-free mowing.
- All-Terrain Performance: Rear-wheel drive tackles 45% slopes, uneven ground, 1.6" obstacles, and narrow 23.6" paths.
- Smart U-Shaped Mowing: U-shaped mowing ensures full coverage and auto-resumes from the exact stop point after charging.
- Dual Maps and 150 Zones: Create 2 maps and up to 150 zones for flexible mowing across multiple lawns without extra mowers.
- App Height Control: Control cutting height from 1.2"–3.9" in the MOVAhome App for different grass types and seasons.
